**EXAMINER INTERVIEW SUMMARY**

An Examiner Interview regarding application 10/674,953 (1792.001us1) took place via telephone on Tuesday, October 2, 2007, and included Applicant's attorney Charles Lemaire, Applicant's agent Jonathan Rixen, and Examiner Stephen Johnson.

Claim 1 was discussed and Examiner Johnson stated that, since claim 3 was previously indicated as allowable, claim 1 appears to be in condition for allowance based on a proposed amendment adding the limitations of claim 3 to claim 1.

Claim 19 was also discussed, and Examiner Johnson stated that claim 19 would appear to be allowable over the currently applied prior art if the following phrase is entered at line five (following the word "gunbarrel"): ", wherein the first direction is a straight linear direction that intersects the gunbarrel,".
